Colorful 100W USB-C to USB-C Cable Joyroom SA29-CC5 / 100W / 1.2m (White)

The Colorful Joyroom cable offers charging with a power of up to 100W. It not only enables fast charging but also data transmission between selected devices at a speed of 480 Mbps. The material used to make the cable is exceptionally soft and flexible. It is compatible with most devices equipped with a USB-C port.

Damage Resistant

The cable is made of smooth silicone, which is exceptionally soft and flexible. It not only does not tangle or deform but also stands out for its high durability and resistance to daily wear and tear. Furthermore, its connectors have been additionally reinforced to prevent breakage.

Safe to Use

You no longer need to worry about the safety of your devices during charging! The cable is equipped with an intelligent chip that not only automatically adjusts the charging parameters to the connected device but also prevents overheating. Thanks to Trickle Charging, you can safely charge your phone at night without worrying about overcharging.
