

## Hard Drive Enclosure Orico 2.5 / 3.5" inch USB-C

Hard Drive Enclosure Orico 2.5 / 3.5" inch USB-C

Ref: 6936761889797

Orico external enclosure for 2.5/3.5 "SSD/HDD

Use your old 2.5/3.5" SSD or HDD and get extra storage space. Orico's external enclosure with USB-C port allows you to transfer files at 5Gbps and supports up to 8TB of capacity. Easy to install and durable - it also features extremely efficient heat dissipation.

### Faster file uploads

Enjoy lightning-fast file transfers. The case features a USB-C port and supports USB 3.1 to SATA 3.0 connectivity, and it's also UASP-compliant. All this means that you can transfer data at speeds of up to 5Gbps using it. To copy files of 1GB with an SSD, it only takes 10 seconds!

### Wide compatibility

Mounting the enclosure is extremely quick and easy - you don't even need tools! The device is compatible with 2.5/3.5" HDD and SSD hard drives. It works perfectly with most operating systems available on the market such as Windows, Linux and Mac OS for example. The product also supports hot-swapping.

### Gain more storage space for your files

Are you running out of space for all your files? With Orico you can quickly solve similar problems! The enclosure supports hard drives

with a capacity of up to 8TB. This is enough to store a lot of pictures, high definition video, songs or documents without any problems. Back up freely, watch movies, listen to music - almost nothing will limit you!

#### Safety and convenience of use

The enclosure draws attention with its simple, modern design. However, it is not only stylish, but also practical. The metal panel provides efficient heat dissipation, and a special sponge protects the hard drive placed inside from shocks. A blue LED indicator will inform you about the status of the device. The product also has a special anti-static coating.
