Wall charger Joyroom JR-TCN02, 3.4A 3xUSB (black)

Ref: 6956116753436

Joyroom JR-TCN02, 3.4A 3xUSB network charger (black)

Don't waste any more time waiting for your device to be ready to use - choose the JR-TCN02 and enjoy fast, reliable charging! Equipped with 3 USB ports, the charger allows you to renew the energy of several devices at the same time, and its maximum power reaches 17 watts. Advanced safety features ensure safety, and the lightweight and compact design will make it so you can take it with you anywhere.

Charge several devices at once

Now you can charge more while saving time! The Joyroom charger is equipped with three USB-A ports, which means you can seamlessly power your smartphone, tablet and wireless headphones at the same time. You no longer have to choose which of your devices to plug in first!

For the sake of safety

Joyroom JR-TCN02 ensures maximum safety while charging. Thanks to its 6-level protection, it effectively protects against overvoltage overcurrent or overheating, among other things. So you can charge your devices with peace of mind without worrying about damaging them.
