Vertical Laptop Stand Joyroom JR-ZS374 (Single Slot) Black

Joyroom JR-ZS374 laptop stand (black)

Keep your desk tidy with Joyroom! The JR-ZS374 stand will help you organize your devices without worrying about clutter and chaos. Thanks to its adjustable width, you will successfully use it in conjunction with various equipment. The stable design of the stand increases safety, and the non-slip silicone finish protects against damage.

Carefully thought-out design

The stand was designed with attention to the smallest details. It features a larger and heavier base compared to other stands, which guarantees the necessary stability, eliminating the risk of accidental toppling. What's more, non-slip silicone parts protect the device from scratches.

Compatible with various devices

Joyroom JR-ZS374 is a stand that adapts to your needs. Thanks to a special width adjustment mechanism, you can precisely adjust the stand to fit your device from 10 to 40 mm wide. This means that you can easily place not only a laptop, but also a tablet or even a smartphone.
