Magnetic Car Phone Mount Joyroom JR-ZS376 (Black)

Make navigating and keeping your phone within reach in your car easier. The Joyroom JR-ZS376 magnetic mount is equipped with 20 high-strength magnets that will provide unparalleled stability for your smartphone. You no longer have to worry about your device falling and getting damaged! The accessory attaches to the dashboard with a sturdy 3M adhesive mount, suitable for both flat and curved surfaces. It is exceptionally strong and can handle even bumpy roads or sudden braking! Furthermore, the built-in ball joint allows for a 360° adjustment of the mount's position. The product is compatible with most smartphone models - if your phone doesn't have built-in magnets, simply use the included metal ring.
