Spirit Levels 230mm Deli Tools EDL290230

Ref: 6974173016653

Spirit level 300mm

In order to properly mount the shelves or mirror, it is worth using a spirit level, which will help you determine the level of the construction, allowing you to fix the object evenly. This tool will be indispensable when performing any work, where the alignment of planes horizontally and vertically is the most important. The Deli brand spirit level has 3 vials: 45°, 90° and 180°, which allow you to read in different ways. The robust construction guarantees durability and low weight ensures long-lasting comfort.

Precision and durability

The spirit level is equipped with a magnet, which ensures stability and makes working on metal surfaces easier. Thanks to this you can be sure that the object will be fixed evenly in the chosen place. The indicators guarantee precise measurement and are resistant to high temperatures and falls.

Manufacturer

Deli

Model

EDL290300
