

## CPU active cooling Darkflash Darkvoid (heatsink + fan 125x12)

CPU active cooling Darkflash Darkvoid (heatsink + fan 125x125)

Ref: 6926170080236

Darkflash Darkvoid active CPU cooler (heat sink + fan)

The Darkvoid cooler draws attention with its original design and impresses with its effective operation. It is designed to optimally distribute heat and keep the CPU temperature at the right level. It is compatible with selected Intel and AMD models. The colorful backlighting is an eye-catcher and gives the product a unique gaming character.

Enjoy efficient cooling of your hardware

The copper base can directly contact your CPU for better cooling. Darkvoid is made of high-grade materials that conduct heat perfectly - an ideal choice for any gamer. The cooler is directed downwards for optimal results - the risk of your hardware overheating will be minimized!

Easy to install

The user-friendly design makes installing the cooler extremely easy. You do not have to be afraid of any problems! The product is compatible with selected Intel and AMD processor models, giving you a wide range of applications.

Gaming backlight

Darkflash proves that computer components can not only be functional, but also stylish. The Darkvoid cooler is equipped with a colorful

LED light strip that sets it apart from other components. Provide your CPU with optimal cooling while illuminating the inside of your computer!

Set contains

Radiator

Fan

Thermal conductive paste

1 x fan mounting clip

Mounting screws

Intel & AMD installation kit

Manufacturer

Darkflash

Model

Darkvoid

Cooling type

Active

Number of fans

1

Speed

1800 RPM

Maximum noise level

23.5 dBA

Airflow

62 CFM

Service life

30000 h

Bearing type

Hydraulic Bearing

Illumination

LED

Supply voltage

12 V

Compatibility Intel:

LGA 775 / 115X / 1366 / 2011 (Core i3/i5) AMD: AM2/AM2+ / AM4 / AM3/AM3+

Fan size

125x125x25 mm

Dimensions

127x127x82 mm

Weight

266 g

Connector

3 Pin

Heatsink material

Aluminium

TDP

90 W

Price:

Before: € 11.5005

**Now: € 10.50**
