Ref: 6950589913571

Dareu EH755 Bluetooth 2.4 G Wireless Gaming Headphones (black-gray)

The Dareu EH755 Wireless Gaming Headphones are an excellent choice for gaming enthusiasts who value sound quality and convenience. These headphones combine state-of-the-art technology with a sleek black-gray design.

Wireless operation

The headphones connect to a compatible device, for even more freedom of use. With a 2.4G connection and Bluetooth 5.1, you can enjoy a stable connection without interference for up to 10 meters. The kit also includes a 1m 3.5mm audio cable and a USB to USB-C cable (1.2m), so you can easily connect the headphones to your computer or console, for example.

Exceptional sound quality

The Dareu EH755 headphones are equipped with a 50mm driver, which guarantees high sound quality and bass emphasis. In addition, the built-in omni-directional microphone with sensitivity of -42 dB allows you to communicate freely with other players.

Long runtime

The Dareu EH755 headphones use a durable 930 mAh battery that provides up to 38 h (2.4G) or 40 h (Bluetooth). In turn, it remains in standby mode for about 3 months. On the other hand, they take about 2.5 h to charge.

Ergonomic

Play as much as you want and don't be afraid of feeling tired. The Dareu EH755 gaming headphones are distinguished by their ergonomic design, making them very comfortable. With a weight of 253 g and dimensions of 199 x 188 x 89 mm, they provide maximum comfort during long gaming sessions.
