Choetech PD8008 mains charger, 2x USB-C, 2x USB-A, GaN, 100W (white)

Choetech PD8008 mains charger is an excellent choice for anyone who needs a fast and reliable charging solution for their devices. With a maximum power of 100 watts and the ability to charge multiple devices simultaneously, you will renew the energy of your equipment in no time. What's more, the PD8008 is compatible with a variety of devices, making it an essential accessory for everyday use.

### Fast charging

Choetech PD8008 offers up to 100 watts of power, so you can charge your devices quickly and efficiently. You'll be able to fully charge your 16" MacBook Pro in about 2 hours. What's more, you can connect as many as 4 devices to it at the same time, which means you no longer have to worry about a lack of available outlets or wait for one device to charge before connecting another.

### Wide compatibility

The charger also features compatibility with smartphones, tablets, laptops and wireless headphones. You will successfully connect it to products from brands such as Apple, Samsung, Google, Sony, LG and Nintendo Switch.

### GaN technology

Choetech PD8008 uses GaN technology, which translates into better heat dissipation and high performance of the charger. So you don't

have to worry about the charger getting excessively hot. What's more, the product is distinguished by its compact design - it won't take up much space on your desk.
