

Wall Charger XO L64, USB + USB-C, 20W (White)

Ref: 6920680869930

Wall Charger XO L64, USB + USB-C, 20W (White)

XO L64 network charger, USB + USB-C (white)

Charge up to 2 devices simultaneously and save time. The XO L64 charger allows you to use 2 ports (1x USB-C, 1x USB-A), one of which supports PD3.0 fast charging and the other QC3.0. The device provides up to 18W of power and features a lightweight, compact design. It also guarantees safe use.

Even faster charging

Don't waste time waiting for an extended period of time until your devices are fully operational again. The XO L64 charger offers up to 18W of power and enables fast charging. Its USB-C port supports the PD3.0 standard, and USB-A supports QC3.0, so you can charge your gear in no time!

2 available ports

Don't wait until one device is charged before plugging in another. The L64 charger is equipped with 2 ports - USB-A and USB-C. So you can plug 2 phones into it, such as yours and another household member's, or charge your smartphone and tablet at the same time.

For the sake of security

Thanks to an advanced security system, you don't have to worry about damaging the charger or the equipment connected to it. The L64

has received effective protection against overvoltage, overcurrent, overheating and short circuit, among other things. What's more, the housing, made of flame-retardant materials, guarantees its durability.

Lightweight and handy

Don't give up the ability to quickly charge your devices when you go on vacation or to your dorm. The XO L64 charger is incredibly handy - you can carry it with you at all times. It weighs only about 46g and is compact enough to easily fit in your suitcase, purse or backpack.
