

Wall Charger XO L90B, USB-C, PD 20W + QC 3.0 18W (White)

Ref: 6920680825325

Wall Charger XO L90B, USB-C, PD 20W + QC 3.0 18W (White)

XO L90B network charger (white)

Charge your devices in even less time. The XO L90B charger supports fast charging standards such as PD3.0, for example, and provides up to 20W of power. It is equipped with a USB-C port and guarantees safe use. At the same time, it is extremely lightweight and handy - you can always have it at hand.

Fast charging

With XO you can save time. You no longer have to wait too long for your tablet or phone to be ready for use again! The L90B charger supports a variety of fast charging standards, including PD3.0, PPS, Samsung-AFC, Apple Mode2.4 and QC4.0+, and its output power reaches 20W. As a result, it will charge your devices in no time!

Effective battery protection

Don't worry about the safety of the equipment connected to the charger. The L90B will charge them up to about 80% and then automatically switch to a holding charge. As a result, it will effectively protect your device's battery from damage and benefit its service life.

Take it wherever you want

This practical charger can accompany you wherever you need it. You can easily take it with you to your dorm, on vacation or on a business trip. It weighs only about 43g and features an extremely handy design - you can easily fit it in your backpack, purse or suitcase!
