

Car Holder XO C85 (black)

Car Holder XO C85 (black)

Ref: 6920680882809

XO C85 cockpit car holder (black)

The car holder is a useful accessory for any car! The holder is compatible with smartphones with a diagonal of 4.7-7.2" and stably holds one position while driving. Thanks to the strong suction cup, you can easily mount to not only the cockpit, but also the windshield. It allows you to adjust the range of the holder by 360 degrees, so you can easily adjust it to your needs. Now you can comfortably and safely use navigation or take phone calls.
