Wall charger XO L65EU with Micro Usb Cable 2xUSB (white)

XO L65EU 2xUSB network charger with Micro USB cable (white).

Get the ability to charge 2 devices at the same time. The XO L65 charger offers 2 USB ports and guarantees a maximum current of 2.4 A. This means you don't have to wait too long for your equipment to be charged! The product is also extremely lightweight and ensures safe use. The kit also includes a microUSB cable.

Charge 2 devices simultaneously

You no longer need to use additional chargers or wait for one device to be ready before charging another. The L65 is equipped with 2 USB ports, so you can connect 2 devices to it at the same time! This makes it possible, for example, to charge 2 smartphones or a phone and a tablet at the same time.

Robust design - safe use

The case of the charger was made of flame-retardant PC plastic, which translates into its durability and resistance to damage. The product has also been protected against short circuit, overheating, overcurrent and overvoltage, among other things. So you can enjoy not only fast, but also trouble-free charging.

Can accompany you almost anywhere

Going on vacation? Are you facing a long train trip? Or are you going to your dormitory? Take the charger with you and get the ability to conveniently charge your devices wherever you go! The L65 weighs only about 38 g and is incredibly handy - you can easily fit it in your travel bag, backpack or purse!
