

Network charger Vipfan E01, 1x USB, 2.4A + USB-C cable (white)

Ref: 6971952431874

Network charger Vipfan E01, 1x USB, 2.4A + USB-C cable (white)

Vipfan E01 mains charger, 1x USB, 2.4A + USB-C cable

Renew your device's power quickly (2.4A) and safely with the Vipfan charger. The E01 is distinguished by its lightweight and compact design, so you can always carry it with you. It is made of fire-resistant materials, which ensures safe use. IC protection additionally affects stable and fast charging, and the universal voltage allows you to use it anywhere in the world.

Safe charging

The charger is designed to be safe to use. The product uses intelligent IC protection, which provides a current of 2.1A and affects stable, fast and safe charging. In addition, it supports 100-240V voltage and 50-60 Hz frequency, so you can use it no matter where you are.

Thoughtful design

The E01 was created with fire-resistant ABS and PC materials, which affects safe charging. In addition, the high-gloss finish looks elegant and reduces the risk of scratching the product. What's more, you can successfully take the charger on vacation, to work or to the university - the lightweight and compact design makes it possible.
