

USB to Micro USB cable Vipfan Colorful X12, 3A, 1m (white)

USB to Micro USB cable Vipfan Colorful X12, 3A, 1m (white)

Ref: 6971952433885

Vipfan Colorful X12 USB to Micro USB cable, 3A, 1m (white)

The Vipfan Colorful X12 cable features high power output and the use of excellent quality materials. It allows fast charging and data transfer. The X12MK has a Micro USB interface and offers 1m in length.

Thoughtful design

The cable offers a high output current of 3 A. The copper core further increases the bandwidth, and the PVC sheath effectively protects the product. The cable is further protected at the joints, increasing bending resistance.
