Colmi L10 Smartwatch (Black)

Lightweight, stylish, and elegant - the Colmi L10 will complement almost any outfit. It features a round dial, giving it a classic look. The 1.4-inch IPS display provides clear access to information and facilitates navigation. The smartwatch also supports Bluetooth connectivity and monitors activity and sleep. Furthermore, it offers sports modes to help you stay fit. The device also includes a menstrual calendar function and reminds you to stay hydrated and change your posture if you've been sitting for too long.

Convenient Access to Notifications

The Colmi L10 Smartwatch is equipped with a 1.4-inch IPS display, making it easy to access watch settings and functions. It offers a resolution of 360 x 360, and the narrow zinc alloy frame enhances usability. You can also customize the menu view and watch face pattern to suit your preferences from the available designs.

Bluetooth Connectivity

Make phone calls directly from the smartwatch. Once paired with your smartphone, the Colmi L10 allows you to make, receive, and reject incoming calls. Moreover, the intelligent watch can display new messages, eliminating the need to reach for your phone every time.

Caring for Your Health

Thanks to modern algorithms, the smartwatch monitors your heart's activity around the clock. This allows you to track measurements in real-time and respond quickly to any concerning symptoms. In addition, it measures blood oxygen levels and records sleep data, making it easier for you to eliminate bad habits and finally get a good night's sleep.

Stay Fit

Do you enjoy an active lifestyle? Take the Colmi L10 with you during workouts. The smartwatch offers various sports modes to choose from, such as running, cycling, badminton, or jump rope. Additional modes like yoga, karate, dance, volleyball, etc., are available in the FitCloudPro app. You can also set goals and check reports after exercising for more effective training sessions.

Water-Resistant

The smartwatch is water-resistant with an IP67 rating, allowing you to use it without worrying about splashes. It will perform excellently during workouts and won't be affected by rain. Furthermore, you don't need to take it off when washing your hands. The Colmi L10 can accompany you almost anywhere!

More Features

But that's not all! The intelligent watch offers a menstrual calendar function, allowing you to better understand your body. The device also provides weather forecasts, music playback control, and alarm settings. Additionally, it reminds you to stay hydrated and change your posture if you've been sitting for too long.

Up to 7 Days of Battery Life

Enjoy up to 7 days of usage on a single charge with the smartwatch. The device is equipped with a 225mAh lithium-polymer battery. In standby mode, it can last for approximately 30 days. Charging the watch takes about 2 hours, and you can recharge it using the included magnetic USB cable.
