Havit H630BT PRO Headphones (blue)

The Havit H630BT PRO headphones will let you rediscover your favorite tunes. The 40-millimeter drivers deliver impressive sound, and the durable battery guarantees up to 50 hr of use on a single charge. What's more, they offer long-lasting comfort, and thanks to their foldable design, they won't take up much space for transport. In addition, the headphones connect to 2 devices at the same time - you can switch conveniently between them.

Richly detailed sound

Immerse yourself in the world of your favorite songs with the Havit H630BT PRO. The headphones use 40mm dynamic drivers, which translates into stereo sound rich in detail and bass tones.

Long-lasting comfort

The earcups of the headphones were created from soft and skin-friendly material. They fit snugly around the ears, while not causing uncomfortable pressure. What's more, they are lightweight, allowing you to use them for a long time without feeling tired or uncomfortable.

Foldable design

Travel to the university, vacation, business trip - Havit headphones will work just about anywhere. They are distinguished by their foldable design, so they won't take up much space during transport. You can easily pack them into a backpack, purse or suitcase.

Convenient operation

Skip songs, adjust volume, stop/resume playback, answer an incoming call - these and other functions are available from the headphones, just by pressing the dedicated button. No more reaching for your phone to customize the operation of the Havit H630BT PRO!

Up to 50 h of playback

Listen to music, podcasts for a long time. The headphones use a 500 mAh battery that provides 50 h of playback if you don't use ANC or 44 h when you turn it on. What's more, it will take about 2.5 h to charge the H630BT PRO. After that, you can return to your favorite e-book!
