BOBOVR M3 Pro Head Strap + Battery pack for Oculus Quest 3

BOBOVR M3 Pro Head Strap for Oculus Quest 3 + Battery

The BOBOVR M3 Pro Head Strap is the perfect solution for Oculus Quest 3 users, offering not only exceptional comfort but also extended playtime. With its carefully designed construction and multi-point adjustment, it fits your head shape perfectly. Additionally, an extra battery is included in the package, giving you even more time for virtual adventures.

Unparalleled Comfort

The strap is designed to reduce pressure on your face and provide maximum comfort while using Oculus Quest 3 VR goggles. Its multi-point adjustment allows you to easily customize the strap to your head shape. Furthermore, the weight of the included battery is reduced to just 140 grams, ensuring even weight distribution on your head.

Extended Gameplay

The B2 battery is a powerhouse in a compact form. With a capacity of 5200mAh, it provides you with long hours of uninterrupted gameplay in virtual reality. As a result, you can enjoy 2 hours of intensive use of Oculus Quest 3 VR goggles. It takes only 3 hours to fully charge the battery! Moreover, thanks to the magnetic connection, you can easily attach it to the BOBOVR head strap, and the hot swap feature allows you to replace the depleted battery without turning off the device.
