

Wired USB Mouse Havit MS72

Wired USB Mouse Havit MS72

Ref: 6939119027360

Havit MS72 wired mouse (black)

The Havit MS72 wired mouse is the ideal solution for anyone who values comfort, precision and reliability in computer work. Thoughtful design and ergonomic shape provide comfort during prolonged use, and with the ability to adjust the resolution you will adjust its performance to your expectations.

Tailored to your needs

The Havit MS72 offers adjustable resolution from 800 to 1200 DPI, allowing you to adjust the precision of your movements to your individual preferences. Whether you need accuracy when working with documents or precision when playing games, the Havit MS72 has what you need.

Ergonomic design

The Havit MS72 mouse is designed for maximum comfort in use. The ergonomic design combined with a non-slip coating makes it sit perfectly in the hand, providing a comfortable grip and minimizing fatigue during intensive use.
