Powerbank Baseus Bipow Pro 10000mAh, 2xUSB, USB-C, 20W (blue)

Baseus Bipow Pro powerbank, 10000 mAh, 2xUSB, USB-C, 20 W (blue)

The Baseus Powerbank Bipow Pro has a 10000 mAh battery and 20 watts of power and supports fast charging technology. It allows you to charge as many as 3 devices simultaneously. The compact design allows you to take the powerbank anywhere. Even on an airplane! The product is compatible with Android and Apple devices.

#### Fast charging

The fast charging mode allows the battery level to reach 60% in just 30 minutes! The powerbank quickly charges Apple phones (models 8-13), Huawei phones and tablets. Thanks to the fact that the Bipow powerbank is equipped with 3 ports, you don't have to limit yourself and can charge up to 3 devices at the same time!

#### Capacious battery

The battery capacity of the Bipow Pro powerbank is 10000 mAh. The power of the device is 20 watts - so you can comfortably charge your chosen devices multiple times. To check the remaining battery percentage, just click the corresponding button on the device.

#### Light as a feather

Thanks to its design and lightness, the device will easily fit in your hand and can be easily carried. The powerbank can even accompany

you on airplane trips, as it meets all international air transport standards.

#### Functionality and good looks

The device not only efficiently charges up to 3 devices at the same time, but also looks great! The Baseus product has a sensational-looking, nice-to-touch texture. The shine also adds to the aesthetic value. The Bipow Pro powerbank is also handy, so it looks very sleek.

#### For the sake of safety

The NTC temperature sensor will ensure that you can charge your chosen devices without worry. The device constantly monitors and automatically adjusts the temperature value, which guarantees safe use. In addition, the Bipow powerbank has protection against overload, electrical surge, electromagnetic waves and short circuit. EMC, CE and RoHS certifications prove that the product meets quality and safety standards.
