Hair Dryer Coshare HD20E SuperFlow SE (pink)

The Coshare HD20E is ideal for damaged hair. It uses negative ions to protect it from dryness, and the included ethereal tip restores softness. In addition, it offers several temperatures and blowing speed settings, allowing you to customize the dryer's performance. In addition, the lightweight and compact design makes it easy to store and transport.

Fast and safe drying

The Coshare HD20E hair dryer uses a motor that operates at 110,000 rpm and has a service life of up to 1,000 hours. What's more, the flow speed of 69 m/s makes the dryer dry hair instantly while not damaging it.

Gentle to your hair

The Coshare HD20E uses intelligent NTC temperature control, measuring the temperature 100 times per minute and keeping it at 57°C. It also offers up to 600 million negative ions to protect your hair from moisture loss and dryness.

Ethereal tip included

The kit includes an essential tip to help you take even better care of your hair. Squalane contained in it is famous for its regenerative and protective properties. It effectively moisturizes hair, restoring its softness. As a result, they are 14% shinier, 29% smoother and electrify

22% less. In addition, the magnetic design of the tip ensures its instant installation.

Adjust its performance to your hair's needs

The dryer offers 4 temperature settings. A fixed temperature of 57°C will work well for everyday use, hot air will dry your hair in no time, cool air will be used for styling, and hot and cool air will alternate to give your hair volume. In addition, there are 3 blowing speeds at your disposal. You are sure to choose something to your liking.

Refined design

The Coshare HD20E is distinguished by its carefully thought-out design. Small light indicators inform you about the set mode, and the lightweight (360 g) and compact (249 × 85 × 69 mm) design makes it convenient to use the dryer. You can also successfully pack it in your suitcase and take it on vacation. In addition, you can easily remove and clean the air filter.
