Thunderrobot P1-950 Mouse Pad (Black)

Thunderrobot P1-950 is a mouse pad with dimensions of 950 x 350 x 3mm, featuring a non-slip surface made of natural rubber to keep it steady on the desk. The surface of the pad is covered with a soft-to-touch microfiber material. An additional advantage of the pad is its edges, which are reinforced with stitching to enhance its durability.
