Havit H628BT headphones (beige)

Listen to your favorite music for a long time without feeling uncomfortable. Havit H628BT are distinguished by their long operating time, and they will only take 30 minutes to charge. What's more, the soft earcups fit snugly around your ears and provide comfort. In addition, you can use them both wirelessly and wired - the set includes an audio cable.

Ergonomic, foldable design

The headphones weigh only 116 g, and the ear cups are made of soft and skin-friendly material. What's more, they fit snugly around the ears, while not causing uncomfortable pressure. In turn, the foldable design makes it easy to store and transport.

2 ways to connect

Don't be afraid of interference and connection problems. The headphones connect to a compatible device via Bluetooth 5.1, providing fast and stable signal transmission of up to 10 meters. However, if you rely on traditional solutions or fear that the headphones will go flat in a while, use the 3.5 mm cable (included). With its help you can connect the Havit H628BT, for example, to your computer - enjoy your favorite music without interference.

Fast charging

Havit H628BT use a 200 mAh battery, which translates into about 9 h of playback or talk time. Charging the headphones, on the other hand, will take about 30 minutes - don't wait indefinitely until your headphones are ready to go again!
