Bitvae BV 2001 sonic toothbrush with extra tip (Blue-Yellow)

The Bitvae BV 2001 Sonic Toothbrush is a unique combination of innovative technology and user convenience that transforms daily teeth cleaning into an effective and enjoyable activity. Providing deep cleaning, gentle care for sensitive gums, and a massage feature, this model is the perfect solution for anyone looking to maintain a healthy smile. Easy charging and a charming design with rabbit ears add charm to the toothbrush, making it not only practical but also an attractive addition to your bathroom.

Multifunctionality: 3 Cleaning Modes

The Bitvae BV 2001 toothbrush stands out with its three operating modes: 'Clean' for deep cleaning, 'Soft' for gentle cleaning of sensitive gums and orthodontic appliances, and 'Massage' for gum stimulation and periodontal disease prevention. With this versatility, every user can customize their cleaning method to meet their individual needs, ensuring optimal oral care.

Intelligent Timers for Effective Brushing

The integrated 2-minute timer with a reminder every 30 seconds to change the brushing area is a key feature of the Bitvae BV 2001 toothbrush. This feature ensures even and thorough cleaning of all areas of the oral cavity, in line with dentists' recommendations for maintaining dental and gum health.

Universal Charging: User Convenience

The ability to charge the toothbrush using a phone charger, power bank, or other power sources is a significant advantage of the BV 2001 model. This flexibility makes it incredibly easy and convenient to keep the device ready for use, regardless of the user's location.

High-Quality Bristles and Tongue Cleaner

The toothbrush is equipped with extra-soft and thin bristles that are gentle on the gums while effectively removing plaque. Additionally, the built-in tongue cleaner on the other side allows for comprehensive oral hygiene, removing bacteria and food residues from this area as well.

Design and Set Contents

The charming design with decorative rabbit ears sets the Bitvae BV 2001 toothbrush apart from traditional products. The set includes the toothbrush, charging cable, cap, replaceable tip, and user manual, providing a complete package for anyone looking to care for their oral health.
