Suction Car Phone Mount Acefast D7, magnetic (black)

Acefast car holder, magnetic (black)

Get the comfort you deserve. The Acefast car mount will allow you to comfortably and safely use your navigation or talk on the phone while traveling. Its installation is quick and easy, and thanks to its well-thought-out design, it won't obstruct your visibility while driving. What's more, you'll find an adhesive base and a clip in the set, so you can mount the holder on both the dashboard/front windshield and the ventilation grille.

Stability

Don't be afraid of damaging your equipment. The Acefast mount is equipped with 8 N52 magnets, so it can hold even a tablet. In addition, the self-adhesive base can withstand a heavy load of up to about 25g and is resistant to high temperatures. Therefore, you don't have to worry about damaging your equipment. Meanwhile, the double locking mechanism ensures stability. Rapid braking, speed bumps, bumpy roads - these obstacles are no problem for the D7.

Tailored to your needs

The Acefast D7 car mount fits most models of air vents, except round ones. It allows 360° adjustment, so you can adjust its position to suit your needs. In addition, you will also successfully attach the product to the dashboard or windshield. Thoughtful design ensures that the D7 will not obstruct visibility, ensuring safe travel.
