

Mains charger Choetech Q5004 EU USB-C, 20W (white)

Ref: 6932112100566

Mains charger Choetech Q5004 EU USB-C, 20W (white)

Choetech USB-C mains charger, 20W (white)

Choetech's power charger is equipped with a USB-C port, making it compatible with most devices. It supports PD/QC3.0 fast charging protocols, allowing you to quickly renew your equipment's power. A number of safety features ensure safe use, and the compact design makes it easy to store.

Fast charging

Choetech Q5004 offers 3 times faster device charging than other chargers. As a result, it will renew the iPhone 12's energy up to 60% in 30 minutes. Moreover, it works with iPhone 11, iPhone XS Max, iPad Pro 10.5", Galaxy S20/ S10, Google Pixel 3a XL/3a/3 XL/2 XL/2/XL, LG G7, AirPods headphones, Nintendo Switch and more.

Compact and safe

The product features a lightweight and compact design, so storing and transporting it won't be a problem for you. You can successfully stow it in your backpack or handbag. Moreover, it has protection against overheating and overcharging. In addition, it was made of fire-resistant material, so you can use it safely.
