Choetech T588-F 3in1 magnetic inductive charger 15W (black)

The Choetech T588-F inductive charger allows you to charge 3 devices at the same time, and thanks to its foldable design it is very easy to transport. It can also act as a practical stand for your smartphone. It also stands out for its high power output of up to 15 W. Make it easy to keep your desk tidy and conveniently charge your iPhone, Apple Watch and AirPods!

Charge 3 devices simultaneously

Forget about tangled cables, keep your desk tidy and don't wait for one device to be ready before charging another. The T588-F charger allows you to wirelessly charge 3 devices at the same time - iPhone 12 / 13 / 14 series, Apple Watch and AirPods. With Choetech you will make it easier to organise your space properly and save time!

Practical stand

Thanks to its foldable design and built-in magnets, the charger will also work well as a phone stand. Simply place your smartphone on it and comfortably watch a video on YouTube, prepare a note for your studies or take part in a video conference. Free your hands and enjoy even more comfort!

Carefully thought-out design

High-quality silicone, ABS and PC plastic have been used in the construction of the charger, giving it a great look, pleasant feel and durability. In addition, the foldable design makes it easy to store and transport. The folded dimensions of the product are only 8.8 x 7.8 x 2.5 cm - you can easily fit it in your handbag, backpack or even your pocket!

Impressive power

Don't wait too long until your devices are ready to use. The charger offers 5 charging modes and provides up to 15 W, 10 W, 7.5 W, 5 W or 2.5 W of power. What's more, the product is equipped with a USB-C port, making it compatible with various power adapters. Please note: a QC&PD power adapter is required to use fast wireless charging.
