Wall Charger Choetech 18W USB-A (black)

Ref: 6971824975260

Wall Charger Choetech Q5003 18W USB-A (black)

Looking for a universal charger that will come in handy at home and while traveling? The Q5003 model by Choetech will be an excellent choice! The device provides up to 18 W of power and supports QC 3.0 fast charging. It is also distinguished by its wide compatibility and lightweight, compact design that allows you to have it always at hand.

### Fast charging

Time-conscious and your phone is close to being discharged? No problem - with the Q5003 charger you can charge it in no time! The product offers up to 18 W of power and supports such fast charging standards as QC 3.0, QC 2.0 and QC 1.0, so you don't have to wait too long until your devices are ready to go!

### Wide compatibility

The Q5003 is compatible with many smartphones, tablets or powerbanks from well-known brands. It will also work perfectly as an adapter for a wireless charger. Say goodbye to limitations and enjoy convenient charging of your devices!

### Handy and reliable

The charger is extremely compact - its dimensions are only 80 x 40 x 20 mm. This allows it to accompany you almost anywhere - at

home, at work, on vacation or on the train. It won't take up too much space in your purse or backpack! The Q5003 also ensures safety in use. Among other things, it is protected against short-circuiting and overcharging, and flame-retardant ABS plastic is used to make it.
