MOKiN 7 in 1 Adapter Hub USB-C to 2x USB 3.0 + 2x USB-C + SD + Micro SD + HDMI (silver)

Adapter Hub MOKiN 7in1 USB-C to 2x USB 3.0 + 2x USB-C + SD + Micro SD + HDMI (silver).

The MOKiN 7-in-1 Hub is the perfect solution for those who want to expand the functionality of their computer. There are up to 7 ports at your disposal, including HDMI, USB-C, USB or practical memory card slots. Whether you work or use your computer for entertainment, the hub is the perfect tool to maximize the potential of your hardware.

### A cinematic experience at home

Immerse yourself in an amazing world of visual experience! The HDMI port supports 4K resolution, allowing you to enjoy images with exceptional sharpness, color depth and motion smoothness. It also offers 2 display options - Mirror and Extend. Mirror mode allows you to duplicate the image on an additional screen, which is perfect for presentations or viewing content on a larger monitor. Extend mode, on the other hand, will expand your workspace, allowing you to use several screens simultaneously.

### Maximum productivity

Don't waste your time with long waits! The MOKiN Hub is the perfect combination of performance and speed in one device. Equipped with a USB 3.0 port, it offers a maximum transfer speed of 5 Gbps, which means you'll be transferring important files in no time, regardless of their size. But that's not all! The USB-C PD3.0 port, with a maximum output power of up to 87 watts, guarantees instant and efficient charging of your devices.

### Fast access to data

Now transferring, viewing and sharing data becomes a real pleasure! The adapter offers slots for SD and microSD memory cards to help you manage your files efficiently. With read speeds of up to 104 MB/s and write speeds of up to 80 MB/s, they guarantee instant access to your data. It's a great option if you're passionate about photography or just need extra space for your projects.
