

MOKiN 9in1 Laptop Docking Station USB C to 2x USB 3.0 + USB

Ref: 6976301930930

MOKiN 9in1 Laptop Docking Station USB C to 2x USB 3.0 + USB 2.0 + 2x HDMI + SD/TF + RJ45 + PD (silver)

MOKiN 9in1 Docking Station USB-C to 2x USB 3.0 + USB 2.0 + 2x HDMI + SD/TF + RJ45 + PD (silver)

The MOKiN 9-in-1 Docking Station allows you to expand the capabilities of your laptop or computer, providing quick access to various devices and top-level performance. It offers 9 ports, including HDMI, USB or RJ45, making it an indispensable tool for both work and everyday use.

Guaranteed stable connection

With MOKiN you will forget about problems with Internet connectivity! The RJ45 port with a maximum speed of 1000 Mbps ensures a reliable connection to the Internet, which is crucial in the era of remote working and studying. With it, you won't have to worry about speed drops or connection loss.

View video in 4K quality

The MOKiN Hub is the perfect solution for anyone who needs more workspace and exceptional image quality. The HDMI port offers a maximum resolution of 4Kx2K@60Hz, which means you can enjoy incredibly detailed and dynamic images. What's more, with the availability of 2 HDMI ports, you'll gain the ability to connect two monitors at the same time, allowing you to expand or duplicate your screens.

Transfer files in no time

USB2.0 and USB3.0 ports make working with files extremely convenient. The USB2.0 port provides data transfer speeds of up to 480Mbps, which means you can copy documents, photos or videos between different devices in no time. The USB3.0 port, on the other hand, offers transfer speeds of up to 5Gbps. This allows you to transfer large files in the blink of an eye, which is invaluable for working with multimedia content or graphic design projects.

Charging with 100W of power

The USB-C port with a charging power of up to 100 watts is ideal for those who need instant power for their devices. It allows you to charge your laptop, tablet or smartphone without the need for multiple chargers. What's more, the hub has slots for SD and microSD memory cards, making it even more versatile.

Expand the capabilities of your computer

Now you can achieve maximum efficiency at work! With USB3.0 and USB2.0 ports, you can connect a variety of devices to your laptop or computer, such as a mouse, keyboard, flash drive or other accessories to make your work easier and more productive. All you have to do is use one of the available USB-C ports!
