MOKiN Adapter Hub 8in1 USB-C to 2x 4K 60Hz HDMI + USB-C + USB 3.0 + SD + Micro SD (silver)

Ref: 6976301930978

Adapter Hub MOKiN 8in1 USB-C to 2x 4K 60Hz HDMI + USB-C + 3x USB 3.0 + SD + Micro SD (silver)

The MOKiN 8-in-1 Hub is the perfect solution for anyone who values versatility and maximum efficiency in their daily work in front of the computer. It offers up to 8 useful ports, including HDMI, USB, USB-C or memory card slots. Now everything you need fits into one compact device.

Exceptional visual experience

Discover a new standard of image quality that will take you to a completely different dimension of entertainment! HDMI ports allow you to display content in 4K resolution, so you can enjoy images with incredible sharpness, color depth and smooth motion. The Hub also supports 2 display modes - Mirror, which allows you to duplicate the image on an additional screen, and Extend, which expands your workspace, allowing you to use several screens simultaneously.

Instant file transfer

Forget about long waits to transfer files! The MOKiN Hub guarantees lightning-fast data transfer to speed up your work and make it easier to share content. With USB 3.0 ports that offer transfer speeds of up to 5 Gbps, you'll be copying your files between the devices of your choice in no time.

Fast charging technology

The MOKiN adapter will make charging your devices take even less time. The USB-C port supports Power Delivery 3.0 fast charging technology, and its maximum power reaches 100 watts. This means you'll renew the power of your smartphone or even laptop in just a few moments.

Convenient data management

From now on, your data is always at your fingertips! The adapter is equipped with slots for SD and microSD memory cards, which offer impressive data read speeds of 50 to 104 MB/s, and write speeds of 30 to 80 MB/s. So you can browse, transfer and share your media, photos and videos in no time without worrying about delays.
