Ref: 6920680850105

Car charger XO BCC12 Bluetooth MP3+5V/3.1A (black)

XO BCC12 Bluetooth MP3+5V/3.1A car charger (black)

The XO BCC12 car charger is a practical device that will come in handy in any car. It provides reliable operation, fast charging, and several other additional features that will make your trip more enjoyable and comfortable.

Conveniently charge your devices on the go

The XO BCC12 supports DC 12-24V input voltage, making it compatible with most cars. It also features 2 output ports: USB-A and USB-C, each capable of delivering a voltage of 5V/3.1A. In addition, the charger offers fast and safe charging for your mobile devices while you're driving. You don't have to worry about the battery of your smartphone or tablet while traveling.

Additional features

The charger allows you to play music in the car - just plug in a flash drive. What's more, with the incoming call answering feature, you can talk on the phone comfortably and safely while concentrating on your driving.

User-friendly

The XO BCC12 is distinguished by its simple operation. Using convenient buttons, you can skip songs or answer incoming calls without having to reach for your smartphone. Special backlighting makes it easy to locate the charger in the dark, and the digital display allows

you to monitor charging voltage and FM frequency in real time, giving you full control over your devices.
