

## Wall charger GAN3 USB-C+C PD35W Choetech PD6051 (black)

Ref: 6932112106100

Wall charger GAN3 USB-C+C PD35W Choetech PD6051 (black)

GAN USB-C-USB-C power charger Choetech PD6051 (black)

Choetech PD6051 stands out for its efficient performance and compact design - perfect for everyday use. What's more, it allows you to charge 2 devices simultaneously thanks to 2x USB-C ports, and support of fast charging protocols allows you to renew your equipment's energy faster. In turn, a number of security features protect your equipment from damage.

Charge 2 devices simultaneously

With 2 USB-C ports, the Choetech PD6051 allows you to charge 2 devices at the same time. With a total power of 35 watts max, the charger can handle all sorts of devices - smartphones, tablets, laptops, AirPods, Apple Watch and Nintendo Switch. Now you can enjoy convenient charging!

Fast charging

With support for PD3.0, PPS, QC3.0 and Apple-2.4A fast charging protocols, the Choetech PD6051 charger provides the highest charging performance for your devices. With PD35W support, you'll charge your iPhone 15 Pro to 60% in about 30 minutes. Whether you're an iPhone, Android or other device user, you'll always be assured that the charger is performing optimally.

Thoughtful design

The Choetech PD6051 charger is equipped with a digital display that allows you to monitor the charging progress and gives you full control over the charging process. In addition, being made of fire-resistant ABS and PC materials ensures not only durability, but also safety.

#### Special safety features

Choetech PD6051 uses various protections that allow you to safely use the charger. The product offers protection against overcurrent, short circuit, overheating, short circuit and overcharging.

#### Manufacturer

Choetech
