

Wall charger GAN3 USB-A+C PD35W Choetech PD6052 (black)

Ref: 6932112106179

Wall charger GAN3 USB-A+C PD35W Choetech PD6052 (black)

GAN3 USB-A USB-C PD35W power charger Choetech PD6052 (black)

Choetech PD6052 stands out for its efficient performance and compact design - perfect for everyday use. What's more, it allows you to charge 2 devices at the same time thanks to its USB-C and USB-A ports, and support of fast charging protocols allows you to renew your equipment's power faster.

Charge 2 devices simultaneously

Thanks to its USB-C and USB-A ports, Choetech PD6052 allows you to charge 2 devices at the same time. With a total power of 35 watts max, the charger can handle all kinds of devices - from smartphones to tablets and laptops. Now you can enjoy convenient charging!

Fast charging

With support for PD3.0, PPS, QC3.0 and Apple-2.4A fast charging protocols, the Choetech PD6052 charger provides the highest charging performance for your devices. Whether you're an iPhone, Android or other device user, you'll always be assured that the charger is performing optimally.

Thoughtful design

The Choetech PD6052 charger is equipped with a digital display that allows you to monitor the charging progress and gives you full

control over the charging process. Now you can easily check how much energy is left to charge your device. In addition, being made of fire-resistant ABS and PC materials ensures not only durability, but also safety.
