Charger+Cable HuntKey P100 100W PD

Ref: 4894788000675

HuntKey P100 100W PD wall charger + USB-C to USB-C cable

The HuntKey P100 is a power source that will meet even the most demanding charging needs. The charger offers up to 100 watts, so you'll renew the power of your chosen devices in an extremely short time. With two USB-C ports and one USB-A port, it gives you the ability to charge several devices simultaneously, and its compact design means the charger can accompany you almost anywhere. You'll also find a USB-C cable included.

Charge with 100 watts of power

Tired of waiting endlessly for your devices to be ready to use? The HuntKey P100 charger comes to the rescue! With up to 100 watts of power and support for the Power Delivery protocol, you'll charge your gear in no time. Enjoy the full performance of your devices while saving precious time on what matters most to you.

One charger for all your devices

Whether you need to charge your modern laptop, tablet or traditional smartphone, the HuntKey P100 charger has everything you need! Equipped with two USB-C ports and one USB-A port, this charger is ready to handle a wide range of devices. That means you can charge several devices at once, without having to wait your turn.
