Replacement tips for FairyWill E11 toothbrush (pink).

Experts recommend replacing toothbrush tips at least once every 3 months. In the set you will find as many as 4 replacement tips, which should quietly last for at least a year! Note: the color of the bristles may vary.

High-quality bristles

High-quality DuPont nylon bristles will precisely clean your teeth. Thanks to its W-shape, it perfectly adheres to your teeth and gums, allowing you to reach even hard-to-reach places in your mouth. What's more, they won't damage your gums and enamel.
