ANLAN Body Trimmer 05-ATMQ32-02A

The ANLAN Body Trimmer 05-ATMQ32-02A is the perfect choice for those who value precision, safety, and versatility. Equipped with an innovative ceramic blade that ensures sharp and long-lasting performance, as well as an ergonomic design, the ANLAN 05-ATMQ32-02A guarantees exceptional quality and user comfort. Its waterproof construction, low noise level, and ease of charging make it an indispensable companion both at home and on the go.

### Safety and Precision

The R-shaped blade head ensures safe and precise cutting, minimizing the risk of skin irritation. This makes the ANLAN trimmer an ideal solution even for the most sensitive areas of the body.

### Two Types of Blades

The trimmer utilizes a moving ceramic blade and a stationary stainless steel blade. This combination provides exceptional sharpness and durability, ensuring excellent results with every use.

### IPX7 Waterproof

High waterproof rating at IPX7 allows for safe use of the trimmer in the shower and makes cleaning it a breeze. The ability to submerge

the device up to 1 meter for 30 minutes ensures that accidental wetting will not affect its functionality.

#### Quiet Operation and LED Display

The motor operates at a low noise level, below 55dB, providing discretion and comfort during use. The LED display indicates the battery status and signals the need for charging. Additionally, the trimmer has a Type-C port, allowing for charging from various sources, including a laptop, power bank, or USB in the car, making it exceptionally practical for travel.

#### Battery Life and Charging

The ANLAN 05-ATMQ32-02A stands out with a 1.5-hour charging time and a runtime of up to 100 minutes, making it reliable for everyday use. The set also includes attachments for different trimming lengths and an elegant case, making it a complete solution for those who value high quality and functionality.
