Lention Matte Finish Case for Macbook Pro 14" (white)

Lention matte protective case for MacBook Pro 14" (white)

Keep your laptop safe while traveling! The Lention case is a perfect fit for your MacBook Pro 14", which means that it not only effectively protects it from scratches, dust and accidental splashing, but also maintains its aesthetic appearance. The matte surface makes the case pleasant to the touch and does not leave fingerprints, so your laptop will always look great. Rubber elements on the bottom increase stability, and the thoughtful design of the case helps prevent your device from overheating, which is especially important when working for hours or watching movies.
