Toothbrush tips Fairywill FW-02 (black)

Replacement tips for the Fairywill 507 or 508 sonic toothbrush. Thanks to a carefully designed construction, they enable precise and efficient teeth cleaning - they also handle stubborn stains. They are distinguished by high-quality bristles that allow for effective cleaning even in hard-to-reach areas of the oral cavity and are safe for enamel. The set includes 4 tips - to ensure the best performance of the toothbrush, remember to replace them regularly. Note: the color of the bristles may vary.
