PGYTECH adhesive mount for sports cameras

PGYTECH Self-Adhesive Mount for Sports Cameras will allow you to capture your important moments on the go. It stands out for its sturdy and stable construction, so you can be sure that your equipment is safe. What's more, it is equipped with a  $\frac{1}{4}$  thread, which translates into a wide compatibility of the device. In addition, its assembly/disassembly will not cause you any problems and will take only a moment.

Wide compatibility

Are you worried that the P-GM-154 will not fit your equipment? Don't be! The PGYTECH adhesive mount works with Osmo Action, GoPro, Insta, Osmo Pocket sports cameras and Canon or Sony cameras.

Durable design

The mount is distinguished by its sturdy and stable construction, keeping your equipment safe. You'll also find 3M VHB tape included to attach the P-GM-154 to the surface of your choice. The product provides stability, and thanks to its construction from aluminum alloy it is resistant to damage. On the other hand, its maximum load is 1 kg.

Adjustment function

Adjust the position of the camera to suit your needs. PGYTECH's self-adhesive mount offers 360° adjustability. What's more, you will lock the selected setting of the P-GM-154 with a dedicated knob.
