### PGYTECH Protective Bag Size M (Doodle Pattern)

The PGYTECH Protective Bag is the perfect solution for those who value the safety and functionality of their accessories. Made from innovative polymer material, it ensures durability and reliability. The P-CB-144 model, featuring a doodle pattern and RoHS certification, offers versatile applications, from protecting photographic equipment to everyday gadgets. Its lightweight design (100g) and compact dimensions (450 x 450mm) make it the ideal companion for everyday use.

### Durable Polymer Material

The main advantage of the PGYTECH bag is its high-quality polymer material construction. This makes it resistant to wear and maintains its original appearance for a long time. Processed using nanotechnology, this material also provides strong bonding strength, ensuring the bag retains its protective properties even after multiple washes.

### Easy to Maintain

While the bag is not waterproof, its maintenance is easy and does not require special care. Hand washing is recommended at a temperature not exceeding 40°C, using a mild detergent. Natural drying ensures that the bag retains its protective properties and aesthetic appearance.
