### Vipfan BE02 Wireless Headphones (Black)

Vipfan BE02 are over-ear wireless headphones that use Bluetooth 5.1 technology for seamless pairing with other devices. The built-in 40mm speakers deliver excellent sound quality, allowing you to enjoy music for up to 40 hours. The charging time is only 2 hours. These modern headphones in black combine unique design with technology, providing a fantastic music experience.

### Comfortable and Intuitive Controls

Volume control, mute, and a multi-function button make it easy to control music playback and phone calls without having to take your smartphone out of your pocket.

### Sound Quality

Vipfan BE02 headphones are equipped with 40mm speakers that provide clear and deep sound. Users can enjoy their favorite music, movies, and podcasts with high-quality sound, free from any disturbances. They make every sound a true pleasure for your ears.

### Wide Compatibility

Vipfan BE02 headphones feature both USB Type-C and mini-jack inputs, making them compatible with various devices, whether you use them at home, in the car, or while traveling. You can easily connect them to your smartphone, tablet, laptop, or any other audio device.

#### Long Battery Life

Forget about frequent headphone charging. With an impressive 40-hour battery life, Vipfan BE02 headphones allow you to enjoy your favorite music all day long and even longer, without the need for constant recharging, making them perfect for frequent travelers.

#### Smart Features

Vipfan BE02 headphones offer the option to activate Siri, giving you access to your voice assistant without having to take out your phone.
