

## Wireless headphones Vipfan BE02 (white)

Wireless headphones Vipfan BE02 (white)

Ref: 6971952434509

### Wireless Headphones Vipfan BE02 (White)

Vipfan BE02 are over-ear wireless headphones that utilize Bluetooth 5.1 technology for easy pairing with other devices. The built-in 40mm speakers offer excellent sound quality, providing up to 40 hours of continuous enjoyment. Charging time is just 2 hours. These modern white headphones combine unique design with technology, delivering fantastic music experiences.

### Convenient and Intuitive Controls

Volume control keys, mute, and a multi-function button allow easy control over music playback and phone calls without having to take your smartphone out of your pocket. This is a useful feature that enhances user convenience.

### Sound Quality

Vipfan BE02 headphones are equipped with 40mm speakers that deliver clear and deep sound. Users can enjoy their favorite music, movies, and podcasts in high-quality audio without any disturbances. With these headphones, every sound becomes a true delight for the ears.

### Wide Compatibility

Vipfan BE02 headphones feature both USB Type-C and mini-jack inputs, making them compatible with various devices, whether you use

them at home, in the car, or while traveling. You can easily connect them to your smartphone, tablet, laptop, or other audio devices.

#### Long Battery Life

Forget about frequent headphone charging. With an impressive 40-hour battery life, Vipfan BE02 headphones allow you to enjoy your favorite music all day long and even longer without the need for frequent charging, making them ideal for frequent travelers.

#### Smart Features

Vipfan BE02 headphones offer the ability to activate Siri, giving you access to your voice assistant without the need to take out your phone.
