

## Wireless headphones Vipfan BE04 ANC (black)

Ref: 6971952434530

Wireless headphones Vipfan BE04 ANC (black)

### Vipfan BE04 ANC Wireless Headphones (Black)

Vipfan BE04 ANC is not just elegant, black wireless headphones. It's a device that combines modern technology and functionality, providing exceptional sound quality and user comfort. Perfect for those who value mobility, long battery life, and comfortable listening in any conditions.

### Advanced ANC (Active Noise Cancelling) Feature

Vipfan BE04 ANC headphones are equipped with advanced noise reduction technology, allowing you to enjoy pure sound without interference from the surroundings. This means you can fully immerse yourself in music, podcasts, or audiobooks even in noisy places.

### Long Battery Life

An exceptionally efficient 500mAh battery ensures up to 70 hours of headphone usage without ANC and up to 35 hours with ANC enabled. This means less frequent charging and more time to enjoy your favorite tracks.

### Fast and Stable Bluetooth 5.3 Connection

The latest Bluetooth 5.3 technology provides a fast and stable connection within a range of up to 10 meters. The headphones are compatible with various protocols, including HFP, HSP, A2DP, AVRCP, PBAP, ensuring broad compatibility with various devices.

### High Sound Quality

With 40mm speaker drivers, Vipfan BE04 ANC headphones offer excellent sound quality, with a wide frequency range from 20 to 20kHz and a high audio-to-noise ratio. This guarantees deep bass and crystal-clear high tones.

### Comfort and Functionality

Ergonomic design, soft ear cushions, and an adjustable headband ensure comfort even during extended use. Intuitive volume control buttons, a multifunctional button, and a dedicated ANC button make operation easy. Additionally, the headphones have USB Type-C input, a mini-jack, and an LED indicator, increasing their functionality.

### Package Contents:

- Headphones x 1
- Instruction manual x 1
- Charging cable x 1
