

ND Filter Set 8/16/32/64 Insta360 GO 2

ND Filter Set 8/16/32/64 Insta360 GO 2

Ref: 685757793971

Insta360 GO 2 ND filter set 8/16/32/64

The ND filter set will help you get cinematic shots with balanced color and contrast even on very bright days. Choose from ND8, ND16, ND32 and ND64, with up to 6 degrees of adjustability in the amount of light reaching the sensor. The right filter gives you more control over shutter speed, solving problems like the "jelly effect".

Sturdy construction and easy installation

It was made of extremely durable optical glass with 16 layers of scratch-resistant coating. Easy installation is based on screwing the filters in, which ensures that they are securely attached.
