

## Monitor Light Bar Blitzwolf BW-CML5

Monitor Light Bar Blitzwolf BW-CML5

Ref: 5905316149502

### BlitzWolf BW-CML5 Monitor Lamp

The BlitzWolf BW-CML5 monitor lamp is a modern and functional solution for any workspace. It is designed to provide optimal lighting without taking up valuable desk space. Its advanced features, such as adjustable color temperature, wireless control, and a special design that minimizes reflections on the monitor, make it the perfect choice for professionals and technology enthusiasts.

### Wireless Control

With the 2.4G wireless remote control, the BlitzWolf BW-CML5 lamp offers convenience and flexibility in adjusting the lighting. This allows for easy settings changes without the need to leave your workspace, which is particularly useful in office environments or during intensive computer work.

### Space-Saving Design

The ergonomic design of the BW-CML5 lamp is created with maximum space-saving in mind. Its slim construction allows you to place it above the monitor, not only saving desk space but also ensuring even light distribution, reducing eye fatigue.

### Color Temperature Adjustment

The lamp offers five color temperature settings, ranging from 2700K to 6500K, allowing you to adjust the lighting to your individual

needs. This is particularly useful for different tasks, from relaxing reading to demanding office work.

#### Touch Control Panel

On the right side of the lamp, there is an intuitive touch control panel, enabling easy on/off switching of the light, as well as adjusting the color temperature and brightness. This solution provides quick and convenient access to all key lamp functions.

#### Reflection Minimization

Thanks to its special design, the BW-CML5 lamp minimizes light reflections on the monitor, which is crucial for visual comfort. This reduces eye fatigue and improves overall ergonomics when working with a computer.

#### Package Contents

- 1 x Lamp
- 1 x Adhesive Mounts
- 1 x Metal Plate
- 1 x Bracket
- 1 x Adjustment Knob
- 1 x User Manual

#### Specifications
