Esperanza All In One USB Card Reader EA130

Esperanza All In One USB Card Reader EA130 is a versatile device that combines convenience, fast data transfer and compatibility with multiple systems. It is ideal for those who need a reliable tool for reading different types of memory cards. Offering data transfer speeds of up to 480MB/s with its USB2.0 connector, the EA130 provides efficiency and time savings.

Versatile compatibility

The Esperanza EA130 features impressive compatibility with various operating systems, including Windows 98/2000/ME/NT/XP/VISTA/Windows 7, Unix and MAC OS 8.6 or higher. This versatility makes the reader an ideal choice for users of various platforms, from IT professionals to ordinary computer users. Regardless of the system in use, the EA130 provides stable and reliable operation.

Fast data transfer

Thanks to its USB2.0 connector, the Esperanza EA130 offers high-speed data transfer of up to 480MB/s, which is crucial for users who want to quickly transfer photos, videos and other large files. This speed significantly impacts productivity, allowing for lightning-fast data copying and backup. This makes the EA130 not only practical, but also efficient for everyday use.

Support for multiple card types

The Esperanza EA130 card reader offers support for a wide range of memory cards, including SDHC, SD, MMC, RS-MMC, Mini-SD (with adapter), Micro SD (with adapter), TF (with adapter), XD, MS, MS DUO, MS PRO DUO and M2 (with adapter). This variety makes it a versatile device that will meet the needs of many users, from photographers to gamers. The ability to support a variety of memory cards without the need for multiple different readers is a huge advantage for anyone who values order and efficiency.
