Ref: 5901299953259

Esperanza ERW002 TV mount for 26-70 inch TVs.

The Esperanza ERW002 mount is the ideal solution for those who are looking for a reliable, easy to install and functional TV mount. Its sturdy metal construction fits TVs from 26 to 70 inches with a maximum load of up to 45 kg, ensuring safety and stability. Compatibility with the VESA standard (75x75 - 400x400 mm), easy installation, and the ability to adjust the tilt up to 15° make it an extremely practical and flexible solution for any home. In addition, the included spirit level facilitates perfect leveling, and the small distance from the wall (35 mm) ensures an aesthetically pleasing appearance and saves space.

Easy to install

One of the main advantages of the Esperanza ERW002 mount is its ease of installation. Thanks to the intuitive design and the included accessories, installation of the mount is quick and hassle-free. This is an ideal solution for people who appreciate doing their own home work, not wanting to waste time and money on hiring professionals.

Durability and safety

Robust metal construction guarantees durability and safety of use. The mount is capable of supporting TVs weighing up to 45 kg, making it suitable for most models on the market. This durability provides peace of mind knowing that the TV is securely mounted.

Tilt adjustment

The ERW002 mount has a tilt adjustment of up to 15°, which is particularly useful in adjusting the viewing angle to suit individual needs. This feature allows you to comfortably watch TV from different locations in the room, ensuring optimal viewing comfort, regardless of your position.
