Esperanza TK102 Titanium Wired keyboard

Ref: 5901299901090

### Wired Keyboard Esperanza Titanium TK102

Esperanza Titanium TK102 is a functional wired keyboard designed for everyday use. Combining simplicity with essential features, this keyboard is ideal for PC and Mac users seeking a comfortable and durable tool for work. Its key features, such as ergonomic shape, high-quality construction, and compatibility with various operating systems, make it a reliable choice for home or office.

### Ergonomic Shape

The ergonomic design of the Esperanza TK102 keyboard helps prevent hand fatigue during typing. Its thoughtful construction and key flexibility allow comfortable use for extended periods, which is important for those who spend many hours typing.

### Durability of Key Imprints

The TK102 keyboard utilizes UV technology for printing letters and symbols, ensuring resistance to wear. This enables the keyboard to maintain clarity and aesthetic appearance for a long time, even with regular use.

### Compatibility with Multiple Systems

This keyboard is compatible with Windows XP, VISTA, 7, 8, and 10, making it a versatile choice for various users. The cable length (0.8m) provides adequate flexibility in placing the keyboard according to the user's needs.
