

Esperanza XM111K Extreme Wired mouse (black)

Ref: 5901299946725

Esperanza XM111K Extreme Wired mouse (black)

Wired mouse Esperanza XM111K Extreme (black)

Choose Esperanza XM111W Extreme and see how pleasant work can be with the right tool. It offers a resolution of 1000, allowing for precise and smooth navigation on the screen. Thanks to Plug&Play, all you need to do is connect it to the USB-C port to start working immediately - no need to install drivers or complicated configuration.

Your comfort comes first

Esperanza XM111W Extreme is designed with your comfort in mind. Its ergonomic shape makes the mouse fit perfectly in your hand, providing a natural and comfortable hand position during use. This solution will make you forget about fatigue during long work sessions or intense gaming. Moreover, it is equipped with a silent scrolling wheel, so you won't disturb the peace of others in the office or at home.
